If we receive \$1,000 or more in donations, they will match it with \$1,000.

AllOne Charities will also cover the cost of the credit card processing fees for on-line donations and will send us the total donations we receive plus the bonus of \$1,000.

They will also donate \$1,000 to the charity with the most donors and \$1,000 for the charity with the highest donation amount.

If anyone prefers to donate by check, it can be sent to:
